Body text printed in Times New Roman, 11 pt. Throughout this book, double quotation marks (““”) are used for “quotations” (set always in italics), single marks (‘’) for otherwise non-emphasized text of ‘so-called’ and ‘so-to-say’ character (except when used for quotations inside quotations). Quotations are introduced once with a single “-mark and ended with a ”-mark (to break with the American tradition to introduce every paragraph in a quotation with a “-mark, but never closing it, which, strictly speaking, is an “unterminated string error”). Entire sentences or paragraphs of quoted text are rendered in 10 pt font and left indentation. Any addition to quoted text is rendered non-italic and surrounded by [brackets], so are added omission ellipses […], which could otherwise not be distinguished from ellipses in the original. Titles of books and journals are set in italics without quotation marks. References have the order: a) books: author(s)/editor(s), title, [volume,] [edition,] [publishing house,] town year[, pages]; b) journals: author(s), [“title of article”], name of journal, volume[(issue)] (year)[, pages] (items in brackets optional). All references to the original English version of Hilberg’s book were added by the translator.
